- IP67 RATING
- 1 m IMPACT RESISTANCE
- BATTERY LEVEL INDICATOR
- SWITCH LOCK

Blitz K12 is a searchlight that generates an impressive 11,600 lm light output. Equipped with four LEDs, it ensures a bright light with a beam distance of up to 525 m. It offers six operating modes and has an IP67 waterproof rating, providing complete dust protection and the ability to immerse in water up to 1 m deep for 30 min. It also has an impact resistance of 1 m. The battery level indicator and a safety ring to prevent accidental activation enhance user safety. Powered by a 7.4V 7800 mAh Li-Ion battery, the flashlight can run in Eco mode for up to 54 h. The Blitz K12 is ideal for search and rescue operations, security and surveillance, rescue missions, and preventive measures.
